solutions to pack your solid chocolate
into lined containers

Your product

With over 70 years of know-how, we guarantee the very best handling and packing of your solid chocolate products into lined containers from 5 up to 30 kg.

confectionery – chocolate

Weigh filler specifications

LINEAR BELT VIBRATORY WEIGH FILLER

	LBVF-34A FOR SOLID CHOCOLATE FILLING & WEIGHING DIRECTLY IN THE BOX	
UP TO 5 C/MIN	<p>One head linear belt vibratory filler with a belt for coarse filling and a vibrating pan for fine dosing in 2 different filling positions.</p> <p>Low drop height Gross weighing directly in the box reduces drop height & number of drops and prevents the chocolate from sticking.</p> <p>Easy to clean Demountable belt with quick release reduces cleaning time. Sprocket driven homogeneous belt without fabric layer for hose down cleaning.</p>	

Accuracy depends on the product and capacity.

For more details or specific requirements, please contact us. We have a complete range of packaging solutions at your disposal and we support you to find the most suitable solution for your needs.

CONTAINER SPECIFICATIONS

Mm	L	W	D (height flaps up)
Min.	350mm	250mm	100mm
Max.	600mm	400mm	400mm

Fully automated solid chocolate line

1. CASE ERECTOR - BAGMAKER INSERTER

Only one machine for case erecting and bagmaking – inserting.

- Closing the bottom flaps with hot melt enables a trouble-free packaging process and continuous production
- Mechanical plunger for **perfect bonding**
- Made-to-measure bags from a reel for **maximum autonomy**
- Controlled bag insertion
- Fully auto-adjustable, no **manual adjustments required** for format change

2. WEIGH FILLER

We offer a linear belt **vibratory weigh filler** to accurately weigh and fill solid chocolate.

Belt technology for fast coarse filling, vibratory dosing for minimum product giveaway.

3. BAG CLOSER

The **bag closer** perfectly protects your product.

- High speed
- **Bag sealing**, with vacuumizing and gasflushing options, or **bag overlap folding**

4. CASE CLOSER

The software of the **case closer** is fully integrated in the bag closer to maximize operator convenience.

OEM EQUIPMENT

Possibility to integrate OEM equipment and end of line solutions: check weigher, metal detector, X-ray detector, labeller, palletizer, ...

Our expertise, your added value

With our unique expertise in the packing and filling of solid chocolate into lined 5-30 kg containers, we provide a valuable contribution to the optimization of your packaging process. You rely on specialists, supporting you to find **the right solution from case erecting to case closing**.

We also integrate end of line and OEM equipment, taking **full responsibility** of the complete line. One contact person is responsible for the follow-up and planning of your project. From the order confirmation till the installation you receive **full personalized support**.

Close relationships matter. With our worldwide network of Business Partners you benefit from **local customer service and support**.

Satisfied customers

Mr. Sudhir Morde, Director
Morde Foods

"The flexible and high-quality Pattyn chocolate line increased our productivity and production reliability."

... and many more

Worldwide support

Since the foundation in 1952, Pattyn hasn't stopped growing and keeps investing in the future.

More than 20 years ago we installed the first chocolate packaging line, today we have many lines running throughout the world. Always caring about your investment and the continuity of your line, our ultimate goal is to obtain full customer satisfaction.

Pattyn group

The Pattyn Group, still a family company, has strengthened its position worldwide in the industrial packaging industry and will maintain its leading position in an ever changing market. With more than **450** employees and **30** Business Partners the Pattyn Group supports more than **1200** customers worldwide.
