

MEAT
&
POULTRY

Complete and fully automated solutions to pack your meat & poultry into lined containers

Your product

With over 70 years of know-how, we guarantee the very best handling and packing of your meat & poultry products into lined containers from 5 up to 30 kg.

Fresh or frozen meat – poultry

Packaging concept according to your product

PACKAGING INTO 5-30 KG BOXES

Pattyn offers complete and fully automated meat & poultry lines from case erecting to case closing at high speed. We also integrate OEM grading systems for easy weighing and grading of your meat & poultry products. Products are sliding off the belt instead of being launched, enabling gentle product treatment. The automated and flexible packaging process allows you to increase your productivity and to switch easily from boxes to crates on one line.

CONTAINER SPECIFICATIONS

Mm	L	W	D (height flaps up)
Min.	350mm	250mm	100mm
Max.	600mm	400mm	400mm

For other container specifications, please contact us.

For more details or specific requirements, please contact us. We have a complete range of packaging solutions at your disposal and we support you to find the most suitable solution for your needs.

Fully automated meat & poultry line

in tape or not melt execution. Closing the bottom flaps with hot melt enables a trouble-free packaging process and continuous production.

We also offer an **OEM Tray Erector** for the automatic opening of low carton trays

2. BAG INSERTER

The **bag inserter** provides perfectly inserted bags into containers at low running cost.

- Made-to-measure bags from a reel for **maximum autonomy**
- Controlled bag insertion
- Fully auto-adjustable, no manual adjustments required for format change

3. OEM GRADER

We integrate **OEM grading systems** for easy weighing and grading of your meat & poultry products.

3. OEM GRADER

4. BAG CLOSER

5. CASE CLOSER

4. BAG CLOSER

The bag closer perfectly protects your products.

- High speed
- Bag sealing, with vacuumizing and gasflushing options, or bag overlap folding.

5. CASE CLOSER

The software of the **case closer** is fully integrated in the bag closer to maximize operator convenience.

OEM EQUIPMENT

Possibility to integrate OEM equipment and end of line solutions: check weigher, metal detector, X-ray detector, labeller, palletizer, ...

Our expertise, your added value

With our unique expertise in the packing and filling of meat & poultry into lined boxes, crates or trays, we provide a valuable contribution to the optimization of your packaging process. You rely on specialists, supporting you to find the **right solution from case erecting to case closing**.

Pattyn also integrates OEM equipment, taking **full responsibility** of the complete line. One contact person is responsible for the follow-up and planning of your meat or poultry project. From the order confirmation till the installation you receive full **personalized support**.

Close relationships matter. With our worldwide network of Business Partners you benefit from **local customer service and support**.

Satisfied customers

Mr. Bruno Vandaele, General Director
Kipco-Damaco

“The Pattyn packaging line allows us to produce more in a shorter period and to be more efficient and competitive than before. On top of that it’s very easy to switch the line from boxes to crates and vice versa.”

... and many more

Worldwide support

Since the foundation in 1952, Pattyn hasn't stopped growing and keeps investing in the future.

More than 20 years ago we installed the first meat & poultry packaging line, today we have many lines running throughout the world. Always caring about your investment and the continuity of your line, our ultimate goal is to obtain full customer satisfaction.

Pattyn group

The Pattyn Group, still a family company, has strengthened its position worldwide in the industrial packaging industry and will maintain its leading position in an ever changing market. With more than **450** employees and **30** Business Partners the Pattyn Group supports more than **1200** customers worldwide.
