

**Turnkey solutions**  
to fill and pack butter into  
lined containers

**PATTYN**  
A DURAVANT COMPANY

# Your product safely packed

In order to meet the **food safety standards** it is important to invest in a **reliable and automated packaging solution**. Pattyn offers fully automated solutions for butter packaging, from case erecting to palletizing, all 100% developed in-house.

**No more worries about product giveaway, food safety and packing quality.**

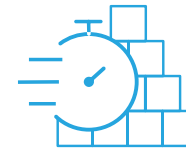

Flexibility in butter texture (from 60 - 82% fat) and box types from 5 to 25 kg.

**One solution for different textures**

**Highest accuracy**

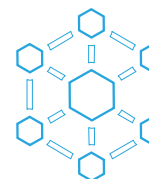

**High capacity**

**50 years of experience in bag-in-box packaging**

**100% Pattyn-made**

**Interconnectivity for the future**

# Butter packing line
