

**Turnkey solutions**  
to pack fruit into  
boxes & trays

**PATTYN**  
A DURAVANT COMPANY

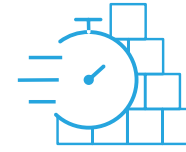

# Increase your efficiency

To meet **food safety standards**, it is important to invest in a **reliable and automated packaging solution**. Therefore, Pattyn has developed a unique range of packaging machines to automate the packing and filling of bulk products into different containers.

Thanks to these machines, you can handle large quantities at high speed. We have complete solutions for packaging in **boxes** as well as **carton trays**.

**24/7 operation and no worries about product and packing quality.**

For all types of boxes and trays.

**Solution adapted to your product and capacity**

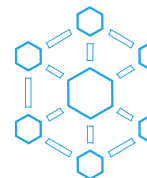

**Gentle product treatment**

**50 years of experience in bag-in-box packaging**

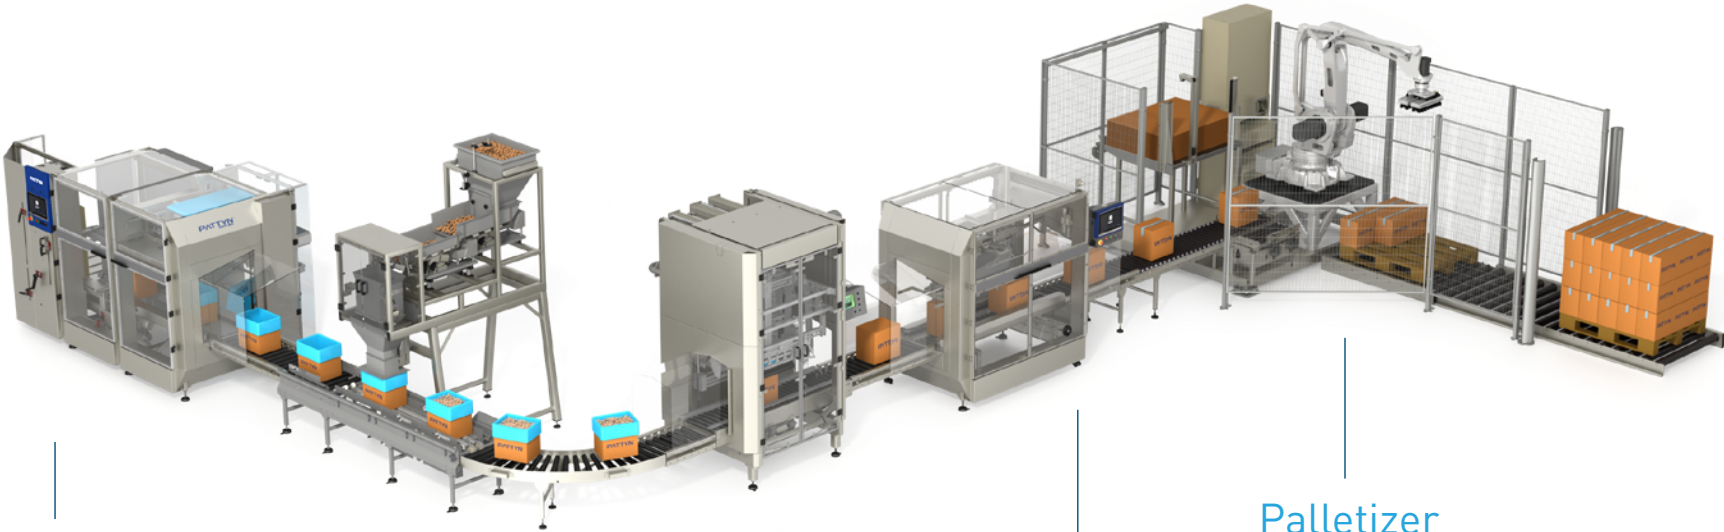

**100% Pattyn-made**

**Full project management for turnkey solutions**
